Pet Smarts

Sure, Buddy and Whiskers are as cute as can be. But the hair, footprints, and smells they leave behind aren't! Tidy up your home with these neat new products.

• **STOP THE STINK** Earthbath's all-natural grooming wipes gently get rid of dirt and odor when there's no time for a bath and company is coming. \$15; petco.com

• **DRY OFF** The Pet Shammy—a superabsorbent, compact chamois towel—will get your pup drier faster after a romp in the rain. \$20; therecycledretriever.com

• **REMOVE SPOTS** Spray Resolve's Pet Stain Instant Eraser on your carpet and watch it bubble up to lift tough stains without any scrubbing. \$5; powerofresolve.com

• **FIGHT FUR** Turn any vacuum into a pet-hair magnet and get deep into furniture crevices with Bissell's Universal Pet Hair attachment set. \$30; bedbathandbeyond.com

• **BREATHE EASIER** Free your home of airborne allergens, dander, odor, and hair when you enlist Honeywell's new PETClean tabletop air purifier. \$70; kaz.com

• **PREVENT SHEDDING** FURminator's deLuxe Collection of tools will remove your pet's dull undercoat before it lands on your carpet. \$45 to \$65; furminator.com

Want to add a new dog or cat to your pack? Visit petfinder.com for adoption info.
