## The Perfect Fit

Pet owners are proving to be particularly receptive to eco-friendly products. Retailers stand to benefit.

- Natural Nutrition
- Green Grooming
- Store Profile: Best in Show

### Tasman's Chews

Tasman's Natural Pet introduces 100-percent natural rawhide chews. Premium Buffalo Bones are made exclusively from American Bison (Buffalo). American Bison are raised free of hormones or antibiotics, on pesticide-free prairies of the American West. Products include Premium Buffalo Bones in four sizes, Premium Buffalo Rolls in three sizes, Premium Buffalo Twisters in a six-inch size and Premium Buffalo Chips in two sizes. Premium Buffalo Bones are available by case and in variety-pack cases for smaller retail outlets.

### Waterless Bathing

earthbath's Grooming Foam for Dogs is a simple, natural way to control dander and is designed to leave dogs looking and smelling great. All product ingredients are all-natural, paraben free, phosphate free, biodegradable and pH-balanced. Shea butter, colloidal oatmeal, meadow foam seed oil and aloe vera are used to condition. earthbath Totally Natural Grooming Foam for Dogs is available in two different varieties. Green Tea Leaf contains green tea leaf extract, and the Hypoallergenic formula is fragrance free for dogs with sensitive skin or allergies. Both are safe for dogs and puppies over six weeks old.

For more information, visit [www.earthbath.com](http://www.earthbath.com).

### Freeze-Dried Chicken Liver PLUS

Pet 'n Shape Freeze-Dried Chicken Liver PLUS treats combine the high-quality protein found in chicken liver with the vitamins and nutrients found in fruits and vegetables. They are 100-percent natural and freeze dried to preserve the treats' aroma and complete nutritional value to make for a healthy snack to treat, train and reward dogs. They contain no wheat, corn or soy, no additives, no preservatives and no coloring.
